“ Hello everyone my name is sherry jones,im Betty sister inlaw,umm i have known thus family for quite some time i use to stay with Betty in yes we had a lot of memories especially our talks she be laying in her bed in i be Layne in mines we have our bowl of ice cream in cookies in dont 4get the s we share a lot of secrets in u talking bout a curious woman that young lady would ask you stuff u wouldn't think of in when you answer that question u better be telling the truth she know if u wasnt, are soyld talk till day break liars knows we had some laughing moments,Especially bout her brother charlie,the watermelon one i said Betty it seems lije all of yall are crazy bout a watermelon that what i was curiou5 about cause u would GI to all thistr houses in you would see one i said especia5 her brother we be going shopping that be the first thing he get she told me Charlie was something else when he was little said he was bad in spoil in always was picking in they sat in on a bunch a fire ants that was something funny to her that night cause are laugh up a storm in how he duck school in tear his shoes up in always bust the watermelon up i was laughing till i was crying i said why yall did that she said we wanted the heart out it i amsaid why she said that was the sweetish part in i told her i said that explains why i never get fo eat any cause he would always cut it first in eat it he would take a knife fork spoon in guess what was gone first the middle of it so i know that was true cause having a watermelon round them it was a no no in if seem lije all of them wanted that part of the watermelon i got a chance to grow with thus family for along time in i watch tge sister in brothers. They were very close. In alit of they stories were the same as rising up together u can tell they were close in they had fun?i told her i wish i was born back in them days she said y i said because yall got a chance to be kids i think i miss that part in my life, i would tease with her alit hyst to see that smile in hear her talk a little mess cause that brought a laugh to me im miss betty,love in i promise to take care of your brother to my best, them sisters was crazy another they brother in god will i take care of him to my best ability
